Navigation Flow

How visitors physically move between every page in the sitemap.

01 · NAV PRINCIPLES

Six rules that govern the navigation system.

01 **6 nav links + 1 CTA**

That's the entire primary nav. No mega-menus, no hover dropdowns.

02 **Orange CTA always visible**

'Book Consultation' sticks in the nav on every page — no hunting.

03 **External products new-tab**

TITAN, Data Point, Janus, T-Card preserve the parent session.

04 **Wayfinding without breadcrumbs**

Active nav link + page title + eyebrow do the work. Breadcrumbs at L3 only.

05 **Mobile = flat accordion**

No 3-level dropdowns on phones. Each section reveals its children inline.

06 **No dead ends**

Every page has a forward CTA AND a lateral exploration link.

02 · NAVBAR ANATOMY

The primary nav — visible on every page.

LTS **Lean Transition Solutions** | About | Lean Transformation | Products | Industries | Services | Insights | Book Consultation

LOGO (left)
Logo + wordmark. Click → /

6 NAV LINKS (centre)
About · Lean Transformation · Products · Industries · Services · Insights. No hover dropdowns.

CTA (right)
Orange 'Book Consultation' — always visible. → /contact

03 · ACTIVE STATE MATRIX

Which nav link highlights when the visitor is on which URL.

URL PATTERN	ACTIVE NAV LINK
/	(none — logo)
/about/*	About
/lean-transformation/*	Lean Transformation
/products/*	Products
/industries/*	Industries
/services/*	Services
/insights/*	Insights
/contact/*	(Contact link added)
/search, /privacy, /terms, /cookies, /404, /500	(no active state)

04 · PER-PAGE NAV PATTERNS

What each section adds below the primary nav.

HOME (/)

- Top nav (logo + 6 links + search + orange CTA)
- Optional sticky section pill row after hero scrolls past (10 anchor sections)
- Persistent orange CTA in nav

ABOUT (/about, /story, /leadership, /partners, /certifications, /careers, /press)

- Top nav (About active)
- In-page jump links on /about hub
- Breadcrumb on L2 sub-pages: Home > About > {sub-page}
- Left sidebar listing 5 other About sub-pages

LEAN TRANSFORMATION (/lean-transformation + 9 sub-pages)

- Top nav (Lean Transformation active)
- In-page jump links on /lean-transformation hub
- Breadcrumb on framework pages: Home > Lean Transformation > Methodology > {framework}
- 'Related frameworks' panel at bottom
- Cross-link to /services/training/{belt}
- Orange 'Book Maturity Assessment' CTA

PRODUCT ECOSYSTEM (/products + 4 themes + 14 internal + 4 external)

- Top nav (Products active)
- System diagram on /products hub
- Theme-level trail: Products > {Theme} > {Product}
- External products open in new tab with ↗ icon
- 'Related products in theme' panel + '← Back to Theme' CTA

INDUSTRIES (/industries + 6 sectors)

- Top nav (Industries active)
- Breadcrumb on sector pages: Home > Industries > {Sector}
- Cross-link to /products/{theme} (Recommended Stack)
- Cross-link to /insights/categories/industry
- Orange 'Book Industry Discovery' CTA

SERVICES (/services + 4 tiers + 15 deliverables)

- Top nav (Services active)
- Breadcrumb on tier + deliverable pages
- 'Other deliverables in this tier' panel
- Training pages cross-link to /about/certifications
- Orange 'Book Discovery Call' CTA

INSIGHTS (/insights + 6 content types + 7 categories + dynamic slugs)

- Top nav (Insights active)
- Filter sidebar with 7 categories on listing pages
- Author byline → /about/leadership
- In-line newsletter prompt mid-article
- End-of-article: 3 related + orange CTA

CONTACT (/contact + 4 booking sub-routes + sales/support/press/offices)

- Top nav (Contact link active)
- Each booking sub-route pre-fills the intent goal chip
- Submission routes to different consultant per intent
- Support links externally to support.ltslean.com

05 · FOOTER NAVIGATION

Curated, not a navbar clone — 5 columns of real pages.

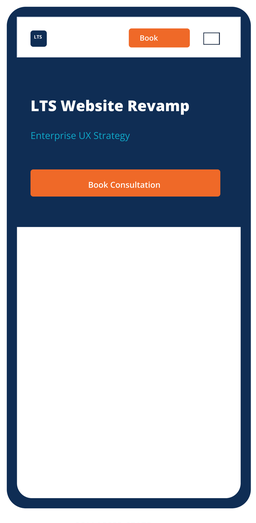
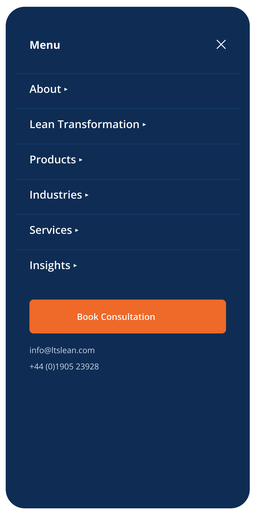
06 · MOBILE NAVIGATION

< 768 px — collapses into a full-screen overlay.



COLLAPSED STATE



OVERLAY OPEN

MOBILE BEHAVIOUR

Collapsed:	LTS logo (left) + small orange 'Book' pill (right) + hamburger icon
Tap hamburger:	Full-screen navy overlay slides in from the right
Overlay content:	6 nav links as accordion headers, SemiBold 18 px white with cyan ▸
Tap a section:	Expands inline to reveal L2 sub-pages — no nested overlay
Bottom of overlay:	Orange 'Book Consultation' full-width + email + phone + cert badges
Close:	✕ icon top-right OR tap outside the panel
CTA always visible:	Book Consultation appears TWICE on mobile (top pill + overlay button) — conversion friction is highest on mobile
